## Details of the Murder Mystery Weekends at the B&B

Guests receive their personal profiles approximately 10 to 14 days in advance of the Murder Mystery weekend. You are free to refer to your profile during the Murder Mystery dinner part, so don't worry about having to memorize it. Guests are encouraged to review their profile and dress accordingly. While it does help folks get into their character, guests can optionally choose to wear their normal attire. On the Friday evening when everyone arrives, we review the weekend's itinerary, what to do and NOT do during the dinner party on Saturday night. We also have a copy of everyone's personal profile in case they forgot theirs at home. After breakfast on Saturday, guests are free to explore the area. They should plan on returning to the B&B by 5:00 PM as the Murder Mystery dinner party starts promptly at 6:00 PM.

## Our Cancellation Policy

Our standard cancellation policy does not apply for the Murder Mystery weekends. If a cancellation is received less than four (4) weeks prior to the weekend, we will process your credit card for a two (2) night stay and mail a gift certificate good for a two (2) night stay in the reserved room with an expiration date five (5) years from the date the cancellation request is received. We strongly encourage you to find participants to fill your roles as last minute cancellations can ruin the event for all since every character is needed to solve the mystery.

In the event a particular Murder Mystery weekend is already full, you can request to be placed on a waiting list in the event we receive a cancellation.
